7. Uncheck the box Show What's New (if a refresher on the contents of the update is undesired), select No, thank you (if being enrolled in the experience improve ment program is undesired), then select Finish.

8. In order to activate Visualize for standalone licenses, you will need to do so through SOLIDWORKS. To begin, open SOLIDWORKS. Select the Help icon, select Licenses. then select Activate.

9. Select the products to be activated, (e.g. SOLIDWORKS and SOLIDWORKS Electrical.) To activate visualize, ensure you select SOLIDWORKS Visualize or select Select All, then select Next.

To activate your SOLIDWORKS product you must request a license key from SOLIDWORKS. The Activation Wizard will help you collect the information necessary to activate your product.
