## WHAT ARE THE MAIN SOLIDWORKS CUSTOMER SUPPORT WEBSITE LINKS?

Dassault Systèmes has updated many of their customer support links. This guide provides the links for Downloads, SPRs, the Knowledge Base, and Trainings.

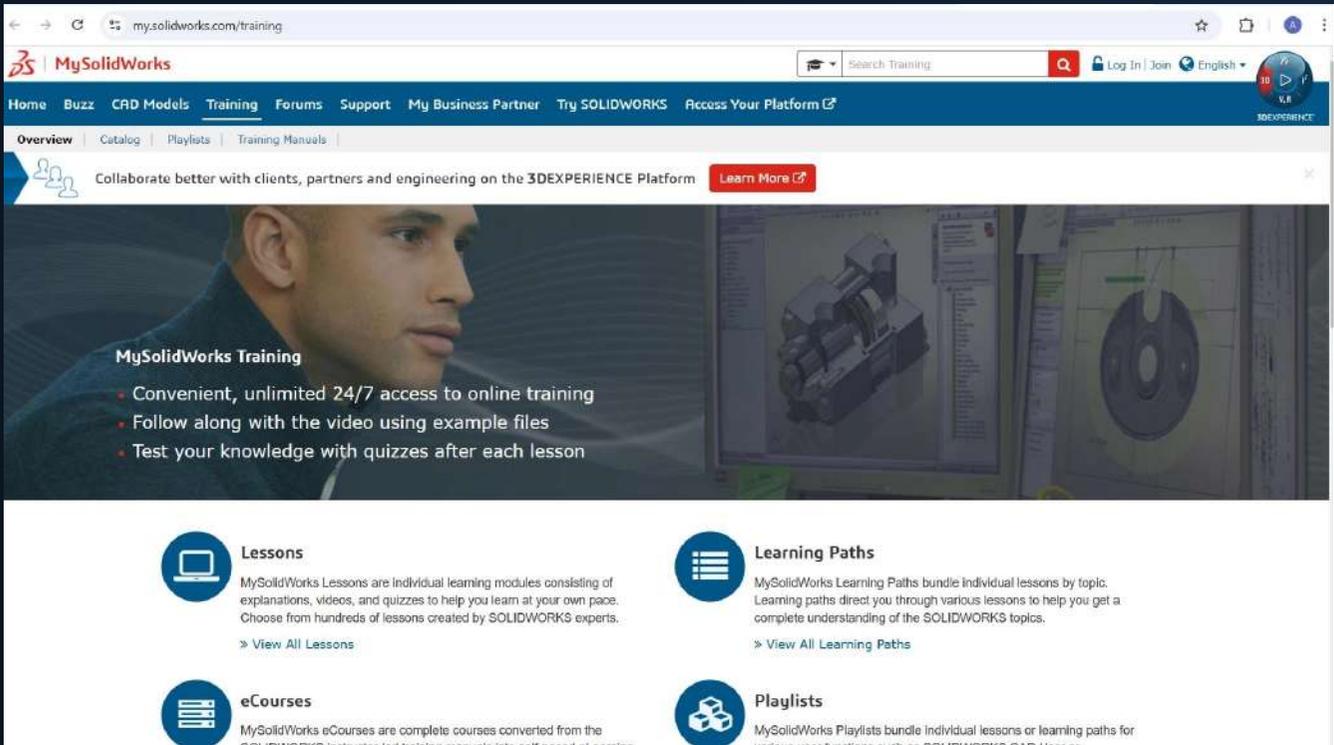

The SOLIDWORKS downloads page is where users can find the installation files for installing SOLIDWORKS onto their machines.

**CLICK HERE TO ACCESS  
SOLIDWORKS DOWNLOADS PAGE**

The SOLIDWORKS Knowledge base is a place for users to read recent articles regarding a range of CAD topics, as well as to search for resolutions to issues faced by other users.

**CLICK HERE TO ACCESS THE KNOWLEDGE BASE**

Dassault Systèmes has a range of online trainings for customers, with learning paths for users of all levels.
